- The Rector thanked the Grossmans's for hosting our last meeting and celebration of my anniversary at Calvary.
- We need to continue to discuss Saturday evening service and what that looks like going forward.
- Outreach: Working with Helping Hands on assistance, but we still meet with people who come to the door.
- School: School is going well. The School Board is still looking at a strategic plan. The school has lots of activities between now and the end of the year.
